Worst Nightmare

Cheap Sex

You Can't Believe What You See
There's No Way This Can Be Reality
The Sky Is Red And You Hear The Alarm
Feel The Heat From The Fire Storm
Hear The Siren - Bodies All Around
A Hell On Earth Is What You Just Found
This Is Not A Movie On Your TV
Wake Up To The New Reality.CHORUS:
THIS IS YOUR NIGHTMARE
IT'S YOUR WORST NIGHTMARE
THIS IS YOUR NIGHTMARE
IT'S YOUR WORST NIGHTMAREPoised For Battle And Trained To Kill
A State Of War For Their Next Thrill
You Never Thought It Would Happen Here
Say Hello To A World Of Fear
Hide Your Kids From The Invasion
They'll Get Used To The Radiation
So Breathe In Deep And Taste The Debris
Death Is As Far As The Eye Can See.
