Reload (Original Mix)

Sebastian Ingrosso & Tommy Trash

When the night become the day
They're sending you far away
So so far away
When everything start to fade
You don't have to be afraid
No you don't have to be afraid
Take my hand and
Reload
This is free love
That's what we are made of
Yes we are, are, are
Reload
This is free love
That's what we are made of
Yes we are, are, areTake my hand and
Reload
This is free love
That's what we are made of
Yes we are, are, areWhen you wanna get off the ground
But gravity pulls you down
Gravity pulls you down
And when you feel out of place
You don't have to be afraid
No you don't have to be afraidTake my hand and reload
This is free love
That's what we are made of
Yes we are are are
Reload
This is real love
That's what we are made of
Yes we are are are
