

# Reload (Original Mix)

Sebastian Ingrosso & Tommy Trash

When the night become the day  
They're sending you far away  
So so far away  
When everything start to fade  
You don't have to be afraid  
No you don't have to be afraid  
Take my hand and  
Reload  
This is free love  
That's what we are made of  
Yes we are, are, are  
Reload  
This is free love  
That's what we are made of  
Yes we are, are, areTake my hand and  
Reload  
This is free love  
That's what we are made of  
Yes we are, are, areWhen you wanna get off the ground  
But gravity pulls you down  
Gravity pulls you down  
And when you feel out of place  
You don't have to be afraid  
No you don't have to be afraidTake my hand and reload  
This is free love  
That's what we are made of  
Yes we are are are  
Reload  
This is real love  
That's what we are made of  
Yes we are are are
