

Sure to Fall

[Carl Perkins](#)

I'm sure to fall, fall in love I'm sure to fall in love with you
You are so sweet and we are so near, I'm sure to fall in love with you So hold me tight, let tonight be the night
darling, don't ever let me go
For loving you is a natural thing to do, I want you for the rest of my life So hold me tight, let tonight be the night
darling, don't ever let me go
For loving you is a natural thing to do, I want you for the rest of my life
