

# Out in the Cold

## Judas Priest

I'm layin' awake at nights  
I can't get you out of my mind  
All I can hear is my heartbeat  
And the voice in the dark of some kind Where are you now?  
The fears are comin' back to me once again  
Oh, I wish you were here  
Takin' good care of me  
I want you  
I feel as though I'm out in the cold Out in the cold  
Hear me calling, cold  
Out in the cold  
Please rescue me I know it was you I hurt  
I didn't mean to hurt you  
So much to forgive and forget  
Can't take anymore of this hurt  
On no, oh no  
There's so many things I regret Where are you now?  
The fears are comin' back to me once again  
Oh, I wish you were here  
Takin' good care of me  
I want you  
I feel as though I'm out in the cold Shut me out  
Out in the cold  
Where are you now?  
Hear me calling  
I need you I'm so cold  
Can't you hear my heartbeat  
Out in the cold  
Please rescue me Give me a chance baby  
Ah there's nothing I wouldn't do to make it alright  
Just one more chance baby  
I need all your lovin' tonight Where are you now?  
Fears are comin' back to me once again  
Oh, I wish you were here  
Takin' good care of me  
I want you  
I feel as though I'm out in the cold Shut me out  
Out in the cold  
Where are you now?

Hear me calling  
I need you I'm so cold  
Can't you hear my heartbeat  
Out in the cold  
Please rescue me Why don't you rescue me?  
Cold  
Shut me out  
Out in the cold  
Where are you now?  
Hear me calling  
I need you I'm so cold  
Can't you hear my heartbeat  
Out in the cold  
Please rescue me Why don't you rescue me?  
I'm so cold  
Shut me out  
Out in the cold  
Where are you now?  
Hear me calling  
I need you I'm so cold  
Can't you hear my heartbeat  
Out in the cold  
Please rescue me
