

Heaven Touch Me

Eden's Curse

There was a time in my life when I went searching
For something new, closer to my dreams
I never knew that a world like this existed
Couldn't believe what I found myself in
Oh No
Are we out of our heads?
Oh No
Are we out of our depth?
Don't know
We've never had a chance like this
But I'll pray to god we'll take it
Our destiny's sitting
In the palm of our own hands
What in the world did I do to deserve this
I guess it was meant to be
I wanna feel how wonderful life is
Heaven, Heaven touch me!!
They're looking on in the hope we go and blow it (go and blow it)
The hangers on and the wannabe's
What they don't feel is the power and emotion (let us show it)
We'll prove em wrong, It's our destiny!
Oh No
Are we out of our heads?
Oh No
Like everybody else?
Don't know
We've never had a chance like this
But I'll pray to god we'll take it
