

# Good Times

## Blink 182

Good times  
Good times  
Good times Oh baby, good times  
Good times, any time you need a payment  
Good times, any time you feel free  
Good times, any time you rock the mic You're not getting hassled, not getting hustled  
Keeping your head above water  
Making a wave when you can  
Taking every layoff, good times Easy way to rip off, nipple buenos  
Scratching [unverified] surviving, good times  
I hear you baby chime in [unverified] it's good times  
Ain't we lucky we got our good times?
