

# Stay Here Tonight

## Enrique Iglesias

I know it's late and you're tired and we've been talking for hours here  
You don't have to tell me  
I see that look in your eyes and I know soon we'll say A goodbye, so, yeah  
I feel it coming  
And I hear you take a deep breath  
And my hands are starting to sweat  
I don't want you to  
I don't want you to leave, yeah  
Stay here tonight  
Stay here tonight  
'Cause when you're around me everything's right  
Don't go, oh, don't leave me alone  
Stay here tonight  
Stay here tonight  
I wanna hold you in my arms, show you what that's like  
Don't go, I need you, I need you  
You grab your coat and I'm dying  
But I know that your still deciding, yeah  
'Cause nobodys moving  
Time stops and everything's quiet, I'm hanging on for my life in you  
You don't even see it  
And then you coming closer  
And baby it's not over  
Till I hear you say  
Till I hear you say, goodnight, oh, yeah  
Stay here tonight  
Stay here tonight  
'Cause when your around me everything's right  
Don't go, oh, don't leave me alone  
Stay here tonight  
Stay here tonight  
I wanna hold you in my arms, show you what's that's like  
Don't go, I need you, I need you  
There's something about you saves me  
Something about you makes me feel like I'm a brother  
Stay here tonight  
Stay here tonight  
'Cause when you around me everything's right

Don't go, don't leave me alone  
Stay here tonight  
Stay here tonight  
'Cause when you around me everything's right  
Don't go, oh, don't leave me alone  
Stay here tonight  
Stay here tonight  
I wanna hold you in my arms, show you what that's like  
Don't go, I need you, I need you  
Stay with me tonight I need you  
Stay with me tonight I need you  
Stay
