Don't Explain

June Christy

Hush now, don't explain
Just say you'll remain
I'm glad you're back,
Don't explain.

Quiet, don't explain
What is there to gain
Skip that lipstick,
Don't explain.

You know that I love you and what love endures
All my thoughts are of you for I'm so completely yours.
Cry to hear folks chatter
And I know you cheat
Right or wrong, don't matter
When you're with me, sweet.

Hush now, don't explain
You're my joy and pain
My life's, yours love,
Don't explain

You know that I love you and what love endures
Nothing rates above you for I'm so completely yours
Cry to hear folks chatter
And I know you cheat
Right or wrong, don't matter
When you're with me, sweet.

Hush now don't explain
You're my joy and pain
My life's, yours love,
Don't explain.
