

# Don't Explain

June Christy

Hush now, don't explain  
Just say you'll remain  
I'm glad you're back,  
Don't explain.

Quiet, don't explain  
What is there to gain  
Skip that lipstick,  
Don't explain.

You know that I love you and what love endures  
All my thoughts are of you for I'm so completely yours.  
Cry to hear folks chatter  
And I know you cheat  
Right or wrong, don't matter  
When you're with me, sweet.

Hush now, don't explain  
You're my joy and pain  
My life's, yours love,  
Don't explain

You know that I love you and what love endures  
Nothing rates above you for I'm so completely yours  
Cry to hear folks chatter  
And I know you cheat  
Right or wrong, don't matter  
When you're with me, sweet.

Hush now don't explain  
You're my joy and pain  
My life's, yours love,  
Don't explain.
