

# Sanctuary

Gabriella Cilmi

That old pair of jeans  
You always see me wearing  
When it's gray  
You know what I mean  
I'm riding a lazy mood  
'Cause you've been waiting, got me ready to go  
And I've been straying off the way that I know  
Keep me wise enough, nothing to owe  
Guess I need ya and I want it to show  
Lying here in my sanctuary  
Days go past, it's autumn already  
And I wish it would thunder  
Lying here in my sanctuary  
Days go past, it's autumn already  
And I sit here and wonder  
And I'll kick off my shoes  
Think about the things I'd like to do  
Everything going smooth  
There ain't nothing I'd rather do
