

# Time

## Pretenders

You're always welcome  
To stop on by  
I'll be there, baby  
To get you high You're thinking maybe  
This one's for real  
You don't know  
How good you feel Oh, baby, gimme some time  
Real good time  
Gimme some time  
Time Gimme some time  
Real good time  
Gimme some time  
Time, yes Oh, come on in  
Oh, we can be free  
No one will be here  
No one will see It's nobody's business  
What we do  
You want me  
Baby, I want you Oh, baby, gimme some time  
Real good time  
Gimme some time  
Time Gimme some time  
Real good time  
Gimme some time  
Time, yes Life is too tough  
To work all day  
And what does it cost  
To earn your pay If the man is  
Breaking your will  
He won't reward you  
But I will Oh, baby, gimme some time  
Real good time  
Gimme some time  
Time Gimme some time  
Real good time  
Gimme some time  
Time, oh, yeah Here we go  
Here we go again Gimme some time  
Real good time

Gimme some time  
Time, yeah, oh, yeahTime, yeah, oh, yeah  
Time, yeah, oh, yeah  
Gimme some time  
Time, yesHere we go  
Here we go again
