All I Want

The Lightning Seeds

You can't ignore or hide away
Can't escape from the things that line our way
Take it, leave it, break it
Anyway, you can't get back to yesterday

All I want, all I want to do
Is make you listen from now on
Stop what's going on, stop what's going wrong
You better listen from now on

Confidence, coincidence, call it a sin
It's just like people say
Tomorrow's here so open up you're eyes
Never hesitate

All I want, all I want to do
Is make you listen from now on
Cardboard men are strong, but paper can be torn
Oh, you better listen from now on

It makes me want to give you everything
Pick you up and take you home again
Hold you tight and think that now is then

All I want to do, all I want to do
Is make you listen from now on
Stop what's going on, stop what's going wrong
You better listen from now on
Cardboard men are strong, but paper can be torn
Oh, you better listen from now on
All I want to say, all I want to feel
You better listen from now on

It's all I want to say
