The Other Side

Sirenia

Sail away, my little sister
Sail away to the other sideThere's a light and a darkened road
There's a night and a fading hope

There was a dream that once was mine

But now it seems it has passed with timeSail away, my little sister

Sail away to the other side

Sail away, my little sister

Sail away far into the night

Where time seems much better

Than this void called lifeThere's a voice inside my head

There's a hope, now long since dead

It's all a wonder, will I abide?

I hear you calling from the other side

I hear you calling from the other sideSail away, my little sister

Sail away to the other side

Sail away, my little sister

Sail away far into the night

Where times seems much better

Than this void called lifeI hear you calling from the other sideSail away, my little sister

Sail away to the other side

Sail away, my little sister

Sail away far into the night

Where time seems much better

Than this void called life
