# Dunes Of Mercy

## Zucchero

Take my soul and my sorrow
I've been losing my mind
Take my soul in my sorrow
Walking on, dunes of mercy
Don't cry, oh no
Joy, will dry your tears
And misery
Make it disappear, ooh
Take my soul and my sorrow
Like a babe at your breast now
Take my soul and my sorrow
Rolling on, dunes of mercy
Don't cry, oh no
Joy, you're not alone
Oh shelter me
Lord, please take me home, ooh
Babe, let the feeling go
Unchain my emotion
Stay 'cause I need you so, ooh
Oh never, never leave me
So let the river flow
On down to your ocean
And let the rain fall
Over me
Take my soul in my sorrow
I've been losing my mind
Yesterday, no tomorrow
Walking on, dunes of mercy
Don't cry, oh no
Joy, will dry your tears
And misery
Make it disappear, ooh
Never, never leave me
Don't let it go
Dunes of mercy, Lord
Take my soul in my sorrow
Walking on, dunes of mercy
Take my soul and my sorrow
Walking on, walking on dunes of mercy

Take my soul in my sorrow
