Uneasy

Rita Ora

[Verse]Why do I keep fallin'?
Keep installin' bullshit in my mind
When waterproof mascara
Is the key to start those tell tale signs
My makeup is my armor
For the dramas that I always fight
Attire is inspired, it's the art
That's the statement of my life
[Chorus]I just can't free my mind it's making me uneasy
I just can't free my mind it's making me uneasy
I just can't free my mind it's making me uneasy
Ohhhhhhh uh oh ohhhhhh
Yeah Ayyyyyyy ayyy
Yeah Ayyyyyyy ayyy
Yeah Ayyyyyyy ayyy
Yeah Ayyyyyyy ayyy
[Verse]And I know it's crazy whenever
I get myself in that zone
But I know you got to remember
London, let's put them on
This
And if it gets easy
Ha
I feel so uneasy

But I know you'll never forget
The fact is that I walk alone
[Chorus]I just can't free my mind it's making me uneasy
I just can't free my mind it's making me uneasy
I just can't free my mind it's making me uneasy
Ohhhhhhh uh oh ohhhhhh
Yeah Ayyyyyyy ayyy
Yeah Ayyyyyyy ayyy
Yeah Ayyyyyyy ayyy
Yeah Ayyyyyyy ayyy
[Bridge]I feel a rush on me
Come get these cuffs off me
Come get me out of my head
And I'm stuck inside what I see

These walls are blinding me
Makes me crazy
I'm feeling uneasy
[Chorus]I just can't free my mind it's making me uneasy
I just can't free my mind it's making me uneasy
I just can't free my mind it's making me uneasy
Ohhhhhhh uh oh ohhhhhh
Yeah Ayyyyyyy ayyy
Yeah Ayyyyyyy ayyy
Yeah Ayyyyyyy ayyy
Yeah Ayyyyyyy ayyy
