

# Telescope

Cheryl Cole

VERSE;

Tangle the night sight

Caught in the eye

Needle and thread,

Needle and knife

Im in the room and youre in my bed with her

I see the unseen and I am feeling just like a

CHORUS:

Telescope,

I turn my eyes away

Cause I know its more than I can take

Telescope, yeah

I can see the ending, I can see the ending now

And I cant come down

VERSE:

Unquiet kisser,

unending doubt,

All smoking sin,

black it all out

Fade in a blur, and

Fade in the light

You empty your glass,

you leave me behind

And Im inside the...

CHORUS:

Telescope,

I turn my eyes away

Cause I know its more than I can take

Telescope, yeah

I can see the ending, I can see the ending now

And I cant come down

VERSE;

Telescope,

I turn my eyes away

Cause I know

its more than I can take.

Telescope,yeah,

I can see the ending,

I can see the ending now

I found out.
