Angillette

Julian Lennon

Have a nice day with your Stoli and Gillette
Break the chain awhile, pretend that we just met
I've tried to help you but you just don't understand
This love is really not the love that I had plannedCan't you give me what I give you day and night?
Is life that hard that you have to let it go?She said that "I'm in love with you"
I said. "Why can't this love be true?"
Can't you give back what I gave you
I want my life back, I want youPlease don't call me like you've always done before
As if I need to know am I your basic whore
Just don't tell me that your love is on the line
I'm sure the truth will tell, just give it some more timeI'm sick and tired of playing your little game
(If you tell me your side, I will tell you mine)
I'd like to know if you can finally change
(If you tell me your side, I will tell you mine)
Why don't you believe my story? I won't tell you lies
You know it's not my dream and if I tell you lies, you'll only realizeThis isn't working out, I can't go on like this
Can't you save her, Lord 'cause I just seem to miss?
There's only so much one can do to save a friend
I've given her my all, it's useless to the endPlease don't let her die, my mind just won't accept
She is not the kind of girl that's strong or has respectShe said that "I'm in love with you"
I said. "Why can't this love be true?"
Can't you give back what I gave you
I want my life back, I want you
'Cause I want you
