It Is What It Is

Uncle Kracker

Jimmy keeps a picture of Jamie in his Wallet
But everybody knows that Jamie's in the closet
Katey's in the corner got her Prozac gone
She only likes to dance to the Kid Rock songs

Shally slings drink till a half past two
Always looking like she got something better to do
And I'm sittin' here in all my glory
Everybody got a Beer everybody got a Story

It is what it is and it ain't what it ain't
It's life and it's love and it ain't gonna change
It's a beautiful mess
I don't wanna miss
It sits in the spins and it is what it is
It is what it is

Randy got a good job drivin' a truck
He got a Black Jack habit but he got no luck
And Kim had a Kid she named Cincinnati
Cause that's the last place that she saw his Daddy
And I'm sittin' here in all my glory
Everybody got a Beer everybody got a Story

It is what it is and it ain't what it ain't
It's life and it's love and it ain't gonna change
It's a beautiful mess
I don't wanna miss
It sits in the spins and it is what it is

Dollar Bills disappear into the Juke Box
From sweet Caroline to Love on the Rocks
I'm sittin' here cause that's what I do
Enough about me let's talk about you

It is what it is and it ain't what it ain't
It's life and it's love and it ain't gonna change
It's a beautiful mess
I don't wanna miss

It sits in the spins and it is

It is what it is and it ain't what it ain't
It's life and it's love and it ain't gonna change
It's a beautiful mess
I don't wanna miss
It sits in the spins and it is what it is
It is what it is

Oh yeah
It is what it is

Dollar Bills disappear into the Juke Box
From sweet Caroline to Love on the Rocks
It is what it is
It is what it is

And I'm sittin' here in all my glory
Everybody got a Beer everybody got a Story
It is what it is
