

# For the Heart I Once Had

## Nightwish

Heaven today is but a way  
To a place I once called home  
Heart of a child, one final sigh  
As another love goes cold  
Once my heart beat to the  
Rhythm of the falling snow  
Blackened below, the river now flows  
A stream of molten virgin snow  
For the heart I'll never have  
For the child forever gone  
The music flows because it longs  
For the heart I once had  
Living today without a way  
To understand the weight of the world  
Faded and torn, old and forlorn  
My weak and hoping heart  
For the child, for the light  
For the heart I once had  
I believe and foresee  
Everything I could ever be  
For the heart I'll never have  
For the child forever gone  
The music flows because it longs  
For the heart I once had  
Time will not heal a dead boy's scars  
Time will kill  
For the heart I'll never have  
For the child forever gone  
The music flows because it longs  
For the heart I once had
