

Lean

French for Rabbits

it would be wiser if I seemed a little lost
a little helpless like I needed someone
when the opposite is true
all I need is for you to let me do it by myself
to let me do it by myself I'm someone you all lean on
I'm someone you all lean on
I'm someone you all lean on la da da dum da da da dum
la da da dum da da da dum she's a fawn lost in the woods
with a pretty dress and a quivering heart
everyone leans in to lend a hand
to catch her when she falls
and you know that she will I'm someone you all lean on
I'm someone you all lean on
I'm someone you all lean on la da da dum da da da dum
la da da dum da da da dum would you catch me if I fall?
would you catch me if I fall?
would you catch me if I fall?
I know that you will . . .
