

Organ Grinder's Swing

Lunceford, Jimmie

Who's that coming down the street?

Good old organ grinder Pete

He's the latest rhythm king

With his organ grinder's swing

Dadya, Pa swings it, so does Ma

Dadya, Ma swings it, so does Pa

Dadya, you swing it, so do I

Dadya, I swing it so do you

When he turns that handle down

Music goes around and 'round

Ev'rybody starts to sing

To that organ grinder's swing

Trala, Pa swings it, so does Ma

Trala, Ma swings it, so does Pa

Trala, you swing it, so do I

Trala, I swing it so do you

All the children tag along

Just to listen to his song

Monkey dancing on a string

To the organ grinder's swing

O-hum, Pa swings it, so does Ma

O-hum, Ma swings it, so does Pa

O-hum, you swing it, so do I

O-hum, I swing it so do you
