Darlin'

Between The Trees

This call is meant to be brief
a simple hello ending with goodbye
Then you say hello
now, I am melting
and now my goodbye
becomes a goodnight
I don't mind if you don't mind
please say you do not mind if this call
goes on all night
cause I have more to say
my afternoon was O.K.
my evening was fine but this night
I want it to be the best night
of our lives
Sweet Darling
this is my confession to
the crimes of wanting you badly
And Darlin' if you're wondering
here's your answer
yes I like you
I don't love you
I can't love you
yet
These calls are getting longer
and these nights go on
and on and on forever
I do believe I'm getting better
knowing you
hopefully all of you
Sitting watching movies

we both know I do not watch a bit of it
cause I am much too busy
leaving my hand close enough
so you'll hold it
Sweet Darling
this is my confession to
the crimes of wanting you badly
And Darlin' if you're wondering

here's your answer
yes I like you
I don't love you
I can't love you
And I can not stop thinking about you
I can not stop wondering
if you're constantly
thinking about me
Don't close your eyes dear I'm still staring
I won't lie dear I'm still breathing
even though your beauty is breath taking
Sweet Darling
this is my confession to
the crimes of wanting you badly
And Darlin' if you're wondering
here's your answer
yes I like you
I can't love you
I can't love you
Oh at least I don't think I do
yet
