[Verse 1]

I know that you made love right here
I won't fall back for you, I want you
Ok say the back seat going up now
High enough to make me never come down[Pre-Chorus]
Got that look in her eye like "yeah"
Got her looking for a nigga, wanna cry now
I wanna give it to her now like, right now
Hit the hotel like lights out
Bad as a motherfucker, that's no doubt
Let my name live in your mouth[Chorus]
You're a good girl, you're a good fuckin' girl
Let me hear you say oh oh oh
You're a good girl, you're a good fuckin' girl
Get wild for a nigga one time, ah, ah, ah
You're a good girl, you're a good fuckin' girl
Let me hear you say oh oh oh
You're a good girl, you're a good fuckin' girl
Get wild for a nigga one time, ah, ah, ah
