

Do You Remember What You Came For?

[Biffy Clyro](#)

How do you suppose we go from east to left in a semi tangent graph?
Collapsed inside a useless thin-screened fully coloured tube
Opinions change, only because we both know, we both know of
The first collage, and what it held, experience tells of a sinister plan
Do you remember what you came for? Do you remember what you came for? The children
How do you suppose we go, from west to right in a fully rounded route
