

# Bad Decisions

Ariana Grande

[Verse 1]

Boy you know that you drive me crazy

But it's one of the things I like

Cause I know when you need it baby

I got that, oh oh

Better keep, better keep on talking

But it don't matter what they say

Cause you know when you hear me knocking

Gonna get that, oh oh[Pre-Chorus]

I been doing stupid things

Wilder than I've ever been

You've become my favorite since

So you better keep, better keep on talking

That's right[Chorus]

We got that hood love

We got that good love

We got that hot love

We got that I don't give a what love

We got that one life

Give me that all night

We got that

Our love they say it's wrong but,

That's the way you turn me on

We got that hot love

We got that good love

Make me make bad, boy you make me make bad decisions

Bad, boy you make me make bad decisions[Verse 2]

But I ain't gonna understand it, understand what I see in you

? when you touch my body

Gonna see the truth

Let 'em keep, let 'em keep on talking

Cause I know that I got someone

Anytime that I need some danger

Gonna get that[Pre-Chorus]

I been doing stupid things

Wilder than I've ever been

You've become my favorite since

So you better keep, better keep on talking

That's right[Chorus]

We got that hood love  
We got that good love  
We got that hot love  
We got that I don't give a what love  
We got that one life  
Give me that all night  
We got that  
Our love they say it's wrong but,  
That's the way you turn me on  
We got that hot love  
We got that good love  
Make me make bad, boy you make me make bad decisions  
Bad, boy you make me make bad decisions[Bridge]  
Don't you know I ain't fucking with them good boys  
Know you love me like ain't nobody here boy  
If you want it, boy you got it  
Ain't you ever seen a princess be a bad bitch?[Chorus]  
We got that hood love  
We got that good love  
We got that hot love  
We got that I don't give a what love  
We got that one life  
Give me that all night  
We got that  
Our love they say it's wrong but,  
That's the way you turn me on  
We got that hot love  
We got that good love  
Make me make bad, boy you make me make bad decisions  
Bad, boy you make me make bad decisions  
Bad, boy you make me make bad decisions  
Bad, boy you make me make bad decisions
