Think

The "5" Royales

Think, think, think, thinkThink of about the sacrifices
That I make for you
Think of all the time
That I spend with youThink of all the good things
That I done for you
Think of all the bad things
I try not to do
So come on, baby, and
[CHORUS]
Think, think, think, think
About the good things
Think, think, think, think
About the right things
Think, think, think, think
About the best things
And maybe before you leave me
You'll realize I'm the one
That loves youHow much of all your happiness
Have I really claimed
How many tears have you cried
For which I was to blame
Lord, I can't remember
When it's not my fault
I tried so hard to please you
At least that's what I thoughtSo come on, sugar, and[Repeat CHORUS]
