Sweat Me

Cleopatra

Why you wanna sweat me now
Why you wanna sweat me nowWhy you say, why you wanna step to me
Tryin to get my number wanna get with me
But my feeling's waited used to be
Don't want you around me
You said I was not your type
That I was not the kind of girl you like
But now, when you, boy, trying get to me
Remember you're the one that dissed me, ohWhy you wanna sweat me now
You didn't want me when I wanted you
Now I gotta turn you down
You want me now but I don't want you
Why you wanna sweat me now
You never came around when I was down
Now I ain't thinking bout you
Now I can do a whole lot better than youYou shoulda got me when you had the chance
I coulda been the best you ever had
But you wouldn't give me the time of day
And now it's too late
Spending too much time speak with me (speak with me)
Blowing up my pager constantly (constantly)
All I see is your number on my caller I'd (caller I'd)
You need to stop callin me, babyWhy you wanna sweat me (oh) now (sweat me now)
You didn't want me when I wanted (didn't want me) you
Now I gotta (oh) turn you down
You want me now (you want me now)
But I don't want you (don't want you)
Why you wanna sweat me now (you wanna sweat me, now)
You never came around when I was down
(when I was down, down, no, no)
Now I ain't thinking bout you
Now I can do a whole lot better than (lot better than) youRapWhy you wanna sweat me nowWhy you wanna sweat me now (yeah, yeah)
You didn't want me when I wanted you (wanted you)
Now I gotta turn you down
(now I gotta turn you down)
You want me now but I don't want you
(don't want you, no, no, no, no, no)
Why you wanna sweat me now (sweat me)

You never came around when I was down (I was down)
Now I ain't thinking bout you
