Two Creatures

The Tears

This country looks like one big car park
The winters are so very long
And everybody wonders where the light has goneAnd shallow is moving state lines
But Africa has winter sun
And you and me
We're just two creatures on the runAnd we'll go where the crowds don't stare
And no one frowns at what we wear
For my fate and we relocateWe fly over the endless ocean
We're heading for the winter sun
'Cause you and me
We're just two creatures on the runAnd shallow is moving state lines
Africa has winter sunshine
And you and me
We're just two creatures on the runWe'll go where the crowds don't stare
And no one hates us for are hair
For my fate I've paid my stake
Oh we'll relocateWe'll fly over the endless ocean
We're heading for the winter sun
'Cause you and me
We're just two creatures on the runAmerica's our supermarket
In India we'll take some stopping
'Cause you and me
Are just two creatures on the runIn Asia we could mend out breakdown
'Cause you and me we must escape now
'Cause you and me
We're just two creatures on the runYou and me
We're just two creatures on the run
You and me
We're just two creatures on the run
You and me
We're just two creatures on the run
