Jessica

Adam Green

Jessica Simpson, where has your love gone?
It's not in your music, no
You need a vacation, to wake up the cavemen
And take them to MexicoJessica, Jessica Simpson, you've got it all wrong
Your fraudulent smile
The way that you faked it the day that you diedMy body's in shambles, encrusted with brambles
That sharpen the air I breathe
What's on the menu?
Jessica can you take down my order please?Jessica, Jessica Simpson, you've got it all wrong
Your fraudulent smile
The way that you faked it the day that you diedTomorrow gets closer, a purple bulldozer
Is calling you on the phone
Your love life precedes you, your son-in-law feeds you
Injections of CortisoneJessica, Jessica Simpson, you've got it all wrong
Your fraudulent smile
The way that you faked it the day that you diedJessica Simpson where has your love gone?
It's not in your music, so where has it gone?
Then Jessica
