

Fake

Live on Release

Found lost, deep inside my own misconception
Who's telling you to take a look in my direction
Too much anger I can't control my rage
Lock me up why don't you
I'm not in your fucking cage
Teething, grinding my teeth again
I'm teething oh
ya[Chorus]
Cursed, you push me round until I
Burst, but you don't know what I can
Take, no you you're fucking fake
Cursed, you push me round until I
Burst, but you don't know what I can
Take, no you you're fucking fake Don't talk to me
You don't understand my pain
If you understood me then
you'd never be the same
Your four letter words make me sob with dry tears
So shut your mouth and I'll forget about my fears
Teething, grinding my teeth again
I'm teething oh
ya[Chorus] Until you make sense of what you say
I'll climb the fence to get away
I have a mind you cannot tame
I'm not a slave to your cruel game [Chorus] Teething, grinding my teeth again
I'm teething oh
