Just Like You

Three Days Grace

I could be mean I could be angry You know I could be just like youI could be fake I could be stupid You know I could be just like youYou thought you were standing beside me You were only in my way You're wrong if you think that I'll be just like you You thought you were there to guide me You were only in my way You're wrong if you think that I'll be Just like youI could be cold I could be ruthless You know I could be just like youI could be weak I could be senseless You know I could be just like youYou thought you were standing beside me You were only in my way You're wrong if you think that I'll be just like you You thought you were there to guide me You were only in my way You're wrong if you think that I'll be Just like youOn my own, cause I can't take livin' with you I'm alone, so I won't turn out like You want me to You thought you were standing beside me You were only in my way You're wrong if you think that I'll be just like you You thought you were there to guide me

You were only in my way
You're wrong if you think that I'll be
Just like youI could be mean
I could be angry
You know I could be just like you
