Power

Secret Weapons

Do, do, do, do you wonder?
If the feeling is here tonight?
'Cause when it comes
Well you better hold on tightDo, do, do, do you hear the thunder?
Thunder rolling inside your mind
Cause when it comes
Don't ya, don't ya take your timeRaise hell like a son of a gun
Try to find a little room to breathe
One hand on the beat of a drum
One hand on the gasoline
Mama said don't light that spark
Unless you wanna feel the heat
Of power
Power
Power
Power
Power
Power
Power
Power
PowerOoh, ooh, ooh, I'm going under
I'm falling. So spell bound
Cause when it comes
So heavy is the head that wears the crownRaise hell like a son of a gun
Try to find a little room to breathe
One hand on the beat of a drum
One hand on the gasoline
Mama said don't light that spark
Unless you wanna feel the heat
(Of power)
Power
Power
Power
Power
Power
Power
Power
PowerYou wanna feel the heat?I can feel it running through me, baby
You know it makes me feel alive

I can feel it running through me, baby
You know it makes me feel alive
Get it off
Get it off
Get it offPower
Power
Power
Power
Power
Power
Power
