

Open Your Eyes (TiÄ—sto Remix)

Snow Patrol

All this feels strange and untrue
And I won't waste a minute without you
My bones ache, my skin feels cold
And I'm getting so tired and so oldThe anger swells in my guts
And I won't feel these slices and cuts
I want so much to open your eyes
'Cause I need you to look into mineTell me that you'll open your eyes
Tell me that you'll open your eyes
Tell me that you'll open your eyes
Tell me that you'll open your eyesGet up, get out, get away from these liars
'Cause they don't get your soul or your fire
Take my hand, knot your fingers through mine
And we'll walk from this dark room for the last timeEvery minute from this minute now
We can do what we like anywhere
I want so much to open your eyes
'Cause I need you to look into mineTell me that you'll open your eyes
Tell me that you'll open your eyes
Tell me that you'll open your eyes
Tell me that you'll open your eyesTell me that you'll open your eyes
Tell me that you'll open your eyes
Tell me that you'll open your eyes
Tell me that you'll open your eyesAll this feels strange and untrue
And I won't waste a minute without you
