Pervert

Nerf Herder

When you met me at the party, you thought I was a nice guy
But you didn't have a clue at what was going on inside
I ordered you a drink and asked you for a dance
But all I really wanted was to smell your underpantsI'm a pervert, a pervert
Can't change the way I am
I'm a pervert, a pervert
Don't want to shake my handThat night you asked me over to watch Hollywood Squares
You left me in your room, I left a stain on your teddy bear
Can you see it in my eyes, can you see it in my smile?
Can you see the way I imagine you doing doggy styleI'm a pervert, a pervert
I've got sweaty palms
I'm a pervert, a pervert
It just goes on and on
On and on, on and on, on and on, on and onYou called me on the phone, said you wanted to talk
But how could you have known what I was doing with my sock
Say you want to be my girlfriend but will you love me anymore
When you catch me with my Polaroid outside the bathroom doorI'm a pervert, a pervert
Can't change the way I am
A pervert, a pervert
Don't want to shake my handI'm a pervert, a pervert
I've got sweaty palms
A pervert, a pervert
It just goes on and on
On and on, on and on, on and on, on and on
