

# Simple Song

Richard Ashcroft

I opened up my eyes  
Swear I saw the light  
Don't you know the truth  
It's so very hard to find Tell me, does it feel good?  
Tell me, does it feel right?  
I'm singing, singing  
I'm singing, singing  
I'm singing, singing a simple song Some things die  
To stay alive  
The tears we cry  
We'll drink them sometime Yeah, I'm happy to feel this way  
Don't know another way  
I'm happy to feel it, alright Oh, it's the only thing  
That gets me through the night  
I'm not scared  
'Cause I know I will survive That's right  
That's right  
That's right  
That's right And mercy has its place  
I know I've made mistakes  
Please, open those arms  
Fill me with your grace Tell me, does it feel good?  
Tell me, does it feel right?  
I'm singing, singing  
I'm singing, singing  
I'm singing, singing a simple song Some things die  
Just to stay alive  
The tears we cry  
We'll drink them sometime Yeah, I'm happy to feel this way  
Don't know another way  
I'm happy to feel it, alright Oh, it's the only thing  
That gets me through the night  
I'm not scared  
'Cause I know I can survive That's right  
That's right  
That's right Yeah, I'm happy to feel this way  
You know, I don't know another way  
(Yes I know I can survive) Yeah, I'm happy to feel this way  
( 'Cause, I know I can survive)

'Cause I don't know another way  
(Yes, I know I can survive) You know I can survive  
Yes, I know I will survive
