If Only You Knew

Soul For Real

I must have rehearsed my lines a thousand times
Until I had them memorized.
But when I get up the nerve to tell you the words
It never seems to come out right

[Chorus]
(Ooooh) if only you knew how much I do
I do love you
If only you knew how much I do
I do love you

I dream of romance we shared
But your not there
I'm living in a fantasy
No you don't even suspect
You probably care less
About the changes I've been goin through

[Chorus]

Ooooh you don't even suspect
You probably care less
About the changes I've been goin through

If only you knew (ohh), how much I do
I do love you
(Lady I do, lady I do, I do, I love you baby)
If only you knew, (if own) how much I do

I do love you (cause I love you babe)
If only you knew
(I must have rehearsed my lines baby about a thousand times)
How much I do
I do love you

Tell me what you want to do, cause I'm in love with you
Baby, baby, yeah
Tell me what you want to do, cause I'm in love with you

I been really in love

Girl, there's nothing more precious than being in love
I been really in love
I can't sleep, tossing and turning

Girl you're all I'm thinking of
I been really in love
Baby, baby, baby, baby yeah
I been really in love
Girl if only you knew, how much I really love you

[Chorus]
