

# I'm Intoxicated

## Deepend

Look into my eyes, Every time ain't got no.

Ain't got no troubles in.

Every time you ecs, ecstasy.

I'm in ecstasy.

Every time ain't got no.

Ain't got no troubles in.

Every time you ecs, ecstasy.

I'm in ecstasy.

Every time you come around it feels like I'm in ecstasy  
Ain't got no troubles in my mind cause it's just you and me.

Let me be the one to show you I got everything you need.

Intoxicated, i'm intoxicated.

Every time you come around it feels like I'm in ecstasy  
Ain't got no troubles in my mind cause it's just you and me.

Let me be the one to show you I got everything you need.

Intoxicated, i'm intoxicated.

Every time ain't got no.

Ain't got no troubles in.

Every time you ecs, ecstasy.

I'm in ecstasy.

Every time ain't got no.

Ain't got no troubles in.

Every time you ecs, ecstasy.

I'm in ecstasy.

Every time ain't got no.

Ain't got no troubles in.

Every time you ecs, ecstasy.

I'm in ecstasy.

Every time ain't got no.

Ain't got no troubles in.

Every time you ecs, ecstasy.

I'm in ecstasy.

Every time you come around it feels like I'm in ecstasy  
Ain't got no troubles in my mind cause it's just you and me.

Let me be the one to show you I got everything you need.

Intoxicated, i'm intoxicated.

Every time you come around it feels like I'm in ecstasy  
Ain't got no troubles in my mind cause it's just you and me.

Let me be the one to show you I got everything you need.

Intoxicated, i'm intoxicated.  
Every time ain't got no.  
Ain't got no troubles in.  
Every time you ecs, ecstasy.  
I'm in ecstasy.  
Every time ain't got no.  
Ain't got no troubles in.  
Every time you ecs, ecstasy.  
I'm in ecstasy.
