

Rockabye

Stereosoul

Tending the garden of noise
When I grow the traffic
And the church bells
And the neighborhood boys singing to myself
As the solitude sets in
In tune with the symphony
Of South Brooklyn
I sing
Rockabye, rockabye baby
Rockabye, the baby that is me
Rockabye, rockabye baby
Rockabye till I'm fast asleep
The tunnel is train torn
The tracks are worn and sore
I can feel the rattle
Riding up through the floor
She jumped the turnstile
He paid for his ride
I am the echo in the station
Where their footfalls collide
I left her at the epicenter
We were trembling dutifully
I left him too, I left parts of me
Singing rockabye
I said today, I am leaving
In every sense of the word
But I'm in love with your memory already
Everything I've seen and heard
And I will go singing
As the solitude sets in
In time with the rythm
Of everywhere I have been
It sounds like rockabye
