

Apis Bull

Exotic Animal Petting Zoo

If you're so righteous! If you're so righteous!
If you're so righteous! If you're so right!
 My God is shameless and cold
 My God comes stand and resolve
 My spine is empty and cruel
 My God is faceless in all the world's shadows
 It's a pressure that keeps it cold
 Until His body's under the vengeance of the masses
 It's the bodies voice the silent soul
 And how he lusts for it, he lusts for it
 Black witch, soft white wings
 I'm begging you I'm tired, I'll float into you
 Take me somewhere please, I'd move but I'm afraid
 There's too much in the way
 I'd move but I'm afraid, something keeps haunting me
 I've seen the shadows a thousand times, I'm counting them all
 I'm obsessed, I'm obsessed, I'm obsessed, I'm obsessed!
 So lay me down upon the stakes
 Yeah my reason's too tough to puncture
 We'll gather up a thousand shadows
 God gives us the strength to suffer
 Set my pace and grit your teeth
 On the ground I'm like a worthless lover
 I submit, I submit, I submit, I submit!!
 As you reign down from above
 Spreading your everlasting love
 With your glorious power!!! Your glorious power!!!
 Your glorious!!! Your glorious!!!
 Black witch, soft white wings
 I'm begging you I'm tired. I'll float into you
 With a pool I'll change, Yeah you laughed in my face
 As the winner of them all, you've been waiting far too long,
 You've been waiting far too long, too long, too long, too long.
 Spirits, dissolving, linger long enough to see the
 Islands, glaciers, the spirits fly free, now given back
 Now given back, ooooooo
