# the time is now

## Asha Ali

Oh there's a whisper in the wind
Something's going on among the leaves
Can't put my finger on it, but its calling out my name
There's no mistaking what this day has to sayIt whispers in my ear and says...Why don't you come out?
I'm waiting on you, waiting on you
Come out!
I'm waiting on you, waiting on cause
The time is now, the time is now
I turn my face up
Look at the dancing clouds
I got no rush to anywhere
I'll stand right here and take this day in
Make my mark on this moment
Play all the games that this day has to offerI whisper in your ear and say...
Why don't you come out?
I'm waiting on you, waiting on you
Come out!
I'm waiting on you, waiting on
Won't you come out?
I'm waiting on you, waiting on cause
The time is now, the time is now, the time is now, the time is now...(x8)
The time is now...
