

# Imogene

## God Street Wine

Well it was late in September  
When I saw you there  
Walking down Seventh Street  
With your new funky hair  
Blonde and green  
Did you think it was outta sight?  
Or were you just trying to turn me on  
It worked alright  
But then you turned to me and said now I don't want to  
See you here  
Anymore

[Chorus:]  
Imogene won't speak to me  
No matter how I try to make her  
It turns out the same  
Imogene won't be surprised  
No matter how I try to take her  
It's a funny game

Well it's just an idea  
I been tossing round  
Gotta get this straightened out  
Before I put it down  
You and your new girlfriend  
Been having lots of fun  
Lots of fun without me  
Is she the only one?  
But then you turned to me and said now I don't want to  
See you here anymore

[Chorus]

It's a funny game
