Behind Stage

Todd Barry

Thank you, thank you, thank you, thank you
Thank you very much, very, very much
It's been a pleasure playing for you, you were hot
Yeah you were, you were sexy, yeah, you were
But please find your way home safely, bye bye
See ya, oh, what a show, let me get a shower first

Mr. Bega, Mr. Bega you, you, you cannot go the people want more
Please play only one more song, please Mr. Bega
Oh yeah, I don't see nothin' wrong with it
But my band left already, so there's no support for me
I can fix the problem I fixed it already, yeah

My brother, he'll support you. he's a funky funky salsa band
He's the Best salsa band in the whole wide world
Believe me, when I say so I say so
So when you say so, you say so? When I say so you say so

Okay but listen I'm the mambo king not no salsa king
You too, Mr. Bega, I know I know
All right, you convince me I do, I'll try my best
Okay, okay, okay, okay, give me all you've got
You play salsa I'll sing mambo
