

# Just One Chance (Featuring Victor Davies)

[re:plus](#)

In time, we come to see, that nothing good in life comes free  
We search, sometimes we find that really special place we left in mind  
But we will never know the mysteries of life, why know it will go?  
But if we really try, maybe we can find some happiness we can't deny[Chorus]  
And we know we can't move back, we just keep on moving on  
Till we find that special thing that we've been looking for  
Yes, we know we can't move back, keep on moving straight ahead  
Cause we'll never know the answer till we do, babe.Don't look back (Don't look back)  
Don't look back (Don't look back)One chance is all we get  
You better take it down, have no regrets  
Your dreams and all you see, we for you know when it all becomes reality[Chorus]Just one chance, just one  
dream  
Just one look at all you see.  
Just one chance, just one dream  
Just one look at all you see.
