

Ten Thousand Angels

[Mindy McCready](#)

Speaking of the Devil
Look who just walked in
He knows just where to find me
Here we go again
I can tell he's gonna ask me to dance
But that's not as far as he wants to go
I need 10,0000 Angels to help me tell him no
Lead me not into temptation
Heaven help me to be strong
I can fight all that I'm feeling
But I can't do it alone
Help me break this spell that I'm under
Guide my feet and hold me tight
I need 10,0000 Angels watching over me tonight
It's time to face my weakness
Look him in the eye
Lord knows it won't be easy
But I've just gotta try
I can let myself get lost in his arms
That's how I got my heart broke before
I need 10,0000 Angels to walk me out the door
Lead me not into temptation
Heaven help me to be strong
I can fight all that I'm feeling
But I can't do it alone
Help me break this spell that I'm under
Guide my feet and hold me tight
I need 10,0000 Angels watching over me tonight
I need 10,0000 Angels watching over me tonight
10,0000 Angels, watching over me tonight
Watching over me tonight
Watching over me tonight
