

Great God

Ashaala Shanae

Verse 1:

You hold the world in your hands, oh God.
And set the earth in place.
You made the sun, you made the moon
You placed the stars in the sky.
And you know them all by name.
Oh God of the heavens,
God of the universe.Chorus:
You are big, magnificent,
God, you are awesome.
Holy, omnipotent,
Alpha and the Omega
You are you are a great God.
Mighty, in all of your ways
You are master, the ancient of days
And words could never ever explain just who you are.
You are a great God.Verse 1Chorus
