

# Ben

## Michael Jackson

Ben, the two of us need look no more  
We both found what we were looking for  
With my friend to call my own I'll never be alone  
And you my friend will see, you've got a friend in me Ben, you're always running here and there  
You feel you're not wanted anywhere  
If you ever look behind and don't like what you find  
There's something you should know, you've got a place to go I used to say, "I", And "Me"  
Now it's "Us", Now it's "We" Ben, most people would turn you away  
I don't listen to a word they say  
They don't see you as I do I wish they would try to  
I'm sure they'd think again if they had a friend like Ben  
Like Ben, like Ben
