

# Work

## Laleh

I know I gotta work today  
Oh yes, Sir  
But baby inside  
I'm always free  
Wah-ah-ah-ah  
Work  
So I'm gonna make the best  
The best of it  
Yeah-eh-eh  
Baby get over on give us a kiss  
(huh?)  
Wah-ah-ah-ah I've gotta push myself  
But I take a break (huh?)  
Now and then  
I like a good advice  
But there's some things (huh?)  
I don't wanna change  
I know I'm on my way  
My dreams are big (huh?)  
We'll see some day, babe  
I'm gonna take a space  
If for now

To work (to work)
