

# Stupid For You

Gia Farrell

[Verse 1:]

My Friends They Say  
They Keep Seeing You With Someone Else  
And When I'm Gone  
You're Invited, But You Come Alone  
Experience Is  
What I Put Up With,  
But In My Heart  
I Always Thought I Had The Perfect Man  
Accepted Love  
I Thought You'd Put A Ring Up On My Hand  
Who'd Ever Guess,  
What I'm Dealing With

[Chorus:]

And I-I-I'm So Stupid For You  
I Can't Face The Truth  
I Must Be Your Favorite Fool  
And I-I-I'm

I'm So Into You

Loves Cost Me The Blues

'cause I Just Dont Wanna Leave You

[Verse 2:]  
The Doorbell Ranf

And She Asked If She Could Come On In

She Said I'm His Girlfriend

And He's Gonna Give Me Everything

See If You Wanna Play

Then Keep Them Away

'cause I'm To Comfortable To Let 'em Move Right In

I'll Let You Get Away

Now After Questioning Where You've Been

[Chorus:]  
Guess I-I-I'm So Stupid For You

I Can't Face The Truth

I Must Be Your Favorite Fool

And I-I-I'm

I'm So Into You

Loves Cost Me The Blues

'cause I Just Dont Wanna Leave You  
Duhda Duhda Duh Duh

So Stupid For You (Ooh Woahuwoah)

Duhda Duhda Duh Duh

So Stupid For You (Ooh Woahuwoah)

I-I-I'm So Stupid For You  
I Can't Face The Truth  
I Must Be Your Favorite Fool  
And I-I-I'm  
I'm So Into You  
Loves Cost Me The Blues  
'cause I Just Dont Wanna Leave You I'm So Stupid For You  
I Dont Know What To Do  
I Must Be Your Favorite Fool  
Just So Stupid For You  
Loves Cost Me The Blues  
'cause I Just Don't Wanna Leave You-Oo-Oo-Oo-Oo-Oo-Oo-Oo-Ou
