Supersonic

Oasis

I need to be myself I can't be no one else I'm feeling supersonic Give me gin and tonic You can have it all But how much do you want it?You make me laugh Give me your autograph Can I ride with you in your BMW? You can sail with me In my yellow submarineYou need to find out No one's gonna tell you what I'm all about You need to find a way for what you want to say But before tomorrow'Cause my friend said he'd take you home He sits in a corner all alone He lives under a waterfall Nobody can see him Nobody can ever hear him call Nobody can ever hear him callYou need to be yourself You can't be no one else I know a girl called Elsa She's into Alka Seltzer She sniffs it through A cane on a supersonic trainAnd she makes me laugh I got her autograph She done it with a doctor On a helicopter She's sniffin' in her tissue Sellin' the big issueWhen she finds out No one's gonna tell her what I'm on about You need to find the way for what she wants to say But before tomorrow'Cause my friend said he'd take you home He sits in a corner all alone He lives under a waterfall Nobody can see him Nobody can ever hear him call Nobody can ever hear him call
